All Christian Parents:

The Safety Of Your Children Is At Stake!

B E W A R E ! ! !

The persistent rumors concerning the Jews' practice of a pagan form of "Human Sacrifice" known as "Ritual Murder," have unfortunately been proven true. Arnold S. Leese has published a book titled *Jewish Ritual Murder* which proves beyond a shadow of a doubt that the Jews are now and have been for centuries, practicing the murder of little Christian children in order to use their blood in religious ceremonies of the Jewish Synagogue.

HERE IS THE UNFORTUNATE STORY:

WHEN - At this time of the year just before the Jewish Holy Day of Passover (April 16 to 23) fanatic Jews run the streets in a crazed search for Christian Blood !

WHO - Their favorite victims are young male children whom they take a fiendish delight in crucifying and bleeding white in the image of our Savoir whom they murdered so long ago.

WHY - Becuase according to secret Jewish ritual (which they will of course deny) they must have Christian Blood to mix with the dough of their Ceremonial Passover Bread. They believe that only by partaking of the blood of your children will they assure their own entrance into their heaven.

PROOF - The court records of all Europe are filled with well documented cases where the Jews were caught and convicted; nearly fifty such cases have been brought to trial in the last century alone. The Jewish arguments against the accusation are all more or less worthless; for example that all the accusations are brought by "Anti-Semites." How could anyone help being "anti-Semitic" if he knew that the Jews murder little Christian children and use their blood in pagan rituals? For further proof we suggest that you read Arnold S. Leese's book *Jewish Ritual Murder*.
